Please bear with us in the office as we make the transition. Thank you.

For any parents interested, our parent information shelf has been updated with new pamphlets about behaviour, healthy eating, head lice and more.

We will be collecting family photographs for our

FAMILY TREE

Please can everyone bring in a family photo, to give to the office, so we can photocopy it for our tree. In the past the children have really enjoyed showing teachers and friends their families.

Just a reminder that we are a NUT FREE centre, so please check the content of muesli bars.

Please make sure there are at least two changes of SPARE CLOTHES in your child bag, as summer is water play time!

PROFILE BOOKS:

There will be an updated list above the profile book boxes in the gym room - this is where you can check who your child's teacher will be for the term. You are welcome to take your child's book home at any stage to talk to them about what has been happening at preschool, or to add anything of your own to it!
